Charmantes Debütalbum der japanischen Rock'n'Roller um die Sängerinnen MEI und YUKI auf RHYTHM BOMB. Mit "Rockin' Like A Man" präsentiert das Sextett aus Tokyo um die beiden Sängerinnen YUKI und MEI 13 Songs, die mit krachigem LoFi- und Garage-Charme das Feld zwischen Blues, Rock'n'Roll, Rockabilly und Beat bearbeiten. Dabei werden Coverversionen von Klassikern wie "Try Me" (BOB LUMAN), "I'm In A Whirl" (THE DEUCES), "Dimples" (JOHN LEE HOOKER) oder "Keep A Knocking" (LITTLE RICHARD) genau so ansprechend aufbereitet wie die Eigenkompositionen der Japaner. Zum diesjährigen Rhythm Riot Weekender in Sussex ist die Band erstmalig auch in Europa zu Gast! CD im dreiteiligen 4c-Digifile-Cover.

This is the charming debut on Rhythm Bomb Records of THE PRINGLES from Tokyo, Japan. Rhythm Bomb completes its roster with the first ever band from Japan ! Charming singers MEI and YUKI present a very colorful Rock and Roll record. "Rockin' Like A Man" features rockin, bluesy and countrified covers from "Try Me" (BOB LUMAN), "I'm In A Whirl" (THE DEUCES), "Dimples" (JOHN LEE HOOKER) to "Keep A Knocking" (LITTLE RICHARD). But especially their own songs „Watch Out“ (Yuki) and „Rockin' Like A Man“ (Mei) show that these girls are not only great singers, they can write their own material too ! The band is very experienced, they provide a wild, authentic, low-fi garage sound that is a perfect fit for this kind of music. Charming, exotic, pure, authentic, simple to sum this record up ! THE PRINGLES played already in the US and have made their european live debut in November 2016 at the Rhythm Riot weekender in Sussex, UK.
